Re: **UCC's may now be filed electronically with the Westchester County Clerk**

---

We are pleased to advise you that you now have the ability to file UCC's electronically with the Westchester County Clerk. The website is <http://ucc.westchesterclerk.com>. See the press release from the County Clerk's Office attached.

We have found this electronic filing system to be simple and it enables you to obtain your filing information within hours of submitting the UCC for filing. If you would like a demonstration on this system, please let your sales representative know.
